About the Vice-Chancellor

Prof. (Dr.) Pranjal R Modi M.S.,D.N.B. (Urology)
Vice Chancellor I/C,
Gujarat University of Transplantation Sciences (GUTS)
Professor and HOD,
Department of Urology and Transplantation Surgery
IKDRC-ITS, Medicity, Asarwa, Ahmedabad 380016.

Professor and head, Transplantation Surgery and Urology at Smt. G. R. Doshi and Smt. K. M. Mehta Institute of Kidney Diseases and Research Centre and Dr. H. L. Trivedi Institute of Transplantation Sciences (IKDRC-ITS), Ahmedabad Major Achievements: Pioneer in retroperitoneoscopic living donor nephrectomy, robotic kidney transplantation, natural orifice insertion of kidney and laparoscopic and robotic kidney transplantation Has largest experience in the world performing laparoscopic and robotic assisted laparoscopic kidney transplantation (177 case and 581 cases till 10th Feb 2021)**Established liver transplant program at public sector hospital and also Established Deceased donor organ procurement program in Gujarat, Currently, Convener, Gujarat State Organ and Tissue Transplant Organization**

Invited Speaker: Twice at British Transplant Society meetings, American Transplant Congress, American Society of Transplant Surgeons, Twice at Japanese Society of Transplantation, Society Internationale d'Urologie, Royal Society of Surgery Australia and New Zealand, Middle East Society of Transplantation, The Transplantation Society, Bangladesh Association of Urology Surgeons, Congress of Asian Society of Transplantation, Japanese society of Endourology

Lectures at : Karolinska University Hospital, Stockholm; Tubingen University Hospital, Germany; University of Southern California, Henry Ford University Hospital, Michigan; University Hospital, Beijing; St. Mery University Hospital, Kurume, Japan; St. Jame's University hospital, UK; Sir Peter Medawar Transplant Unit, Liverpool, UK; Austin Hospital, Melbourne, Australia

(Awards): Maharshi Sushrut Gyanpith Seva Sanman, Dr. Mavlankar Gold Medal, Maharshi Dadhichi award, Best resident award in Urology, West Zone USI Gold Medal, Millennium International scholarship by USI

BOOK CHAPTER: 3

Padmashree Awardee Late Prof. (Dr.) H. L. Trivedi, FRCP (C), DSc
First Pro Chancellor
Gujarat University of Transplantation Sciences (GUTS) &
Founder Director Smt. G.R. Doshi and Smt. K.M. Mehta Institute of Kidney Diseases and Research Centre (IKDRC) and
Dr. H.L. Trivedi Institute of Transplantation Sciences (ITS)

About the University - GUTS

The Gujarat University of Transplantation Sciences (GUTS), the first University of its kind in the world for Transplantation and Allied Sciences, was established in the year 2015 under the State University Act. The idea of setting up such a University was conceived way back in 1998 and the seed of its inception was sown by Prof. H. L. Trivedi, Founding Director of Smt. Gulabben Rasiklal Doshi and Smt. Kamlaben Mafatlal Mehta Institute of Kidney Diseases & Research Centre - Dr. H. L. Trivedi Institute of Transplantation Sciences (IKDRC-ITS), Ahmedabad, Gujarat.

Objectives and Mission of the University

The Objectives of the University is to disseminate, create and preserve knowledge and understanding by teaching, research, extension and service and by effective demonstration in the field of Transplantation and allied sciences. This university will provide efficient and responsive administration, scientific management and develop organization of teaching and research. It will be a centre of excellence for providing medical care, educational and research facilities of high order in the field of Transplantation and allied Sciences in the existing super-specialties and such other super-specialties as may develop in future, including cell and tissue transplantation, solid organ transplantation, composite tissue transplantation, xeno transplantation, cell, tissue and bio-engineering, genetics and translational research in humans, animals, micro-organisms and viruses. The other objective will also be to attain the highest standards of academic excellence by providing the necessary physical infrastructure and creating an intellectual environment conducive to free flow of ideas and meaningful exchange of information and knowledge with other foreign and national universities or institutions. The mission of the University is to serve as an academic and research nucleus to these specialties to improve the clinical, scientific, and social aspects of transplantation making it accessible and affordable to population at large giving them healthy and productive lives.

Currently GUTS have active teaching programs as follows:

1) M.Ch Urology (NMC Recognized)
2) DM Nephrology (NMC Recognized)
3) Post –Doctoral Certificate course Renal Pathology (PDCC) (NMC Recognized)
4) M.D Anesthesia (NMC Recognized)
5) Fellowship programs in Liver Transplant Anesthesia and Critical Care
6) Fellowship programs in Abdominal Organ Transplantation
7) Fellowship programs in Pediatric Nephrology and Transplantation
8) Masters in Physiotherapy (MPT)
9) MSc nursing in Nephrology and Urology Specialties
10) Postgraduate Diploma in Medical Laboratory Technology (PGDMLT)
11) Certificate Course in Dialysis Technology (CCDT)

Dr. Bharat B. Tiwari, M.P.T – Cardio-Pulmonary
In-Charge Principal
Sr. Lecturer
IKDRC – ITS College of Physiotherapy, IKDRC-ITS

About College

Physiotherapy is a Health care profession that provides treatment and care to develop, maintain and restore maximum movement and function throughout life in circumstances where they are threatened by ageing, injury, disease or environmental factors.

Organ transplantation is one of the medical miracles of the 20th century and is very upcoming and emerging field. There must be an increasing demand of rehabilitation before transplantation and after transplantation in the community. As transplant rehabilitation is a relatively nascent field, literature outlining the principles of transplant rehabilitation is scarce. It was very much essential to start this course in physiotherapy field. And it is the first time in INDIA and the only university which has started Master of Physiotherapy in Transplant Rehabilitation.

IKDRC - ITS COLLEGE OF PHYSIOTHERAPY was incepted in 2018, in the heart of IKDRC-ITS campus, with a commitment to support the students and encourage students for professional and lifelong learning skills, providing opportunities to innovate and carve a niche for themselves in this competitive world. We began our journey with Post graduate program in 2018 with two courses 1) Master of Physiotherapy in Cardiopulmonary conditions and 2) Master of Physiotherapy in Transplant Rehabilitation.

IKDRC - ITS COLLEGE OF PHYSIOTHERAPY holds mission and values of the principles of Physiotherapy to promote high quality education and practice. The aim of the College is to educate students to provide the best health management coupled with the ethics of caring. The mission is consistent with a commitment to provide excellence in education, research, practice, and community service.

The vision of IKDRC- ITS COLLEGE OF PHYSIOTHERAPY is to prepare future Physiotherapists, who are excellent clinical analyzers, admirable team workers and lifelong learners to practice as best physiotherapists in a variety of health care delivery systems such as primary, secondary and tertiary systems. In order to meet its obligation in teaching, research, scholarly activities, practice of service, the college strives to maintain high quality faculty who are excellent teachers and expert practitioners, whose contributions are remarkable in the field of physiotherapy.

No.	Faculty	Designation
1.	Dr. Bharat Tiwari(PT) M.P.T – Cardio-Pulmonary	Sr. Lecturer
2.	Dr. Harda Shah(PT) Phd, M.P.T – Cardio-Pulmonary	Sr. Lecturer
3.	Dr. Brijesh Patel (PT), M.P.T – Cardio-Pulmonary	Lecturer
4.	Dr. Mansi Patel (PT), M.P.T – Cardio-Pulmonary	Lecturer
5.	Dr. Fagun Jain (PT), M.P.T – Cardio-Pulmonary	Lecturer
6.	Dr. Nirali Vakani (PT), M.P.T – Transplantation Rehabilitation	Lecturer
7.	Dr. Margi Patel (PT), M.P.T – Cardio-Pulmonary	Clinical Therapist

We encourage students to participate in various national and international conferences and seminar. There is a glorious movement of the college also when one of our second year resident Dr. Aviral Tripathi had won the first prize in INTERNATIONAL CONFERENCE OF PHYSICAL THERAPY – AIIMS DELHI, December 2019, under the title of "Role of Aerobic Training on Hormonal Profile and Regulation of Menstrual Frequency in Women with Polycystic Ovary Syndrome: A Pilot Study".

Dr. Tasneem Pallawala 2nd year resident of 2019 batch won the first prize in CVRS PT scientific Paper Presentation, Junior category for paper presentation titled " Effect of Moderate to vigorous Aerobic and Resistance exercise on hepatic fat content in Non- Alcoholic Fatty Liver Disease- A Case series at SCIENTIFICA 2021, A Virtual INTERNATIONAL CONFERENCE held Online on 27th &28th March 2021, Organized by Sancheti college of Physiotherapy in association with Maharashtra University of Health Sciences, Nashik.

Dr. Sheena Thakur, 2nd year resident of 2019 batch won the first prize in Physio-E-summit 2021, senior category for E- Poster titled "Metabolic Syndrome after liver Transplantation: Effect of Structured exercise training and Yoga – A Case Report" held on 4th and 5th February 2021 by Parul University, Vadodara.

Dr. Forum Mehta, 2nd year resident of 2019 batch won the first prize in World Physiotherapy Week Celebration from September 6th to September 13th 2020 organised by Jaipur Physiotherapist Network for E- Poster Presentation titled "Pilates in Pregnancy".

Dr. Kinjal Purohit, 2nd year resident of 2020 batch in Transplantation Rehabilitation branch won first prize in scientific paper presentation titled "Effect of Trendelenburg position and physiotherapy for the management of refractory hypoxemia in patient post liver transplant with hepatopulmonary syndrome: A case report" at 12th National Physiotherapy Summit organised by RK university on 22nd January 2022 and Physio E- Summit organised by Parul University on 29th January, 2022 under the guidance of Dr Harda Shah (Senior lecturer and guide for Transplantation Rehabilitation)

PHYSIO FEST 2022
12th National Physiotherapy Summit
Innovation & Entrepreneurship

Certificate of Appreciation

This is to certify that

Mr./Ms./Dr. Harda Shah

has guided the **Winner** participant in 12th National Physiotherapy Summit '**Physiofest 2022**' held virtually at School of Physiotherapy, RK University on 22nd January 2022 for his/her Paper entitled

Effect Of Trendlenburg Position And Physiotherapy For Management Of Refractory Hypoxemia In Patient Post Liver Transplant With Hepatopulmonary Syndrome: A Case-Study

Course Coordinators: Transplantation Rehabilitation

Dr. Harda Shah (PT) Phd, M.P.T – Cardio Pulmonary
Sr. Lecturer
IKDRC – ITS College of Physiotherapy

Master of Physiotherapy in Transplantation Rehabilitation

The inception of this unique course of Physiotherapy was dreamed by **Padmashree Awardee Late Prof. (Dr.) H. L. Trivedi** sir and the vision turned into reality with the tireless efforts of Dr. Veena Shah, Dr. Aruna Vanikar and Dr. Neetaben Vyas. The Master of Physiotherapy Course in Transplantation Rehabilitation is a regular full time course of 2 years' duration. Transplantation Rehabilitation is an innovative and nascent field. Considering the rate of increment in organ transplantation centers and number of transplantations performed annually not only in India but globally, there is rapidly increasing demand for the care of the patient before and after transplantation.

The course is designed to deliver the knowledge of basic science covering all clinical and surgical aspects of organ transplantation, Transplantation biology, aspects of immunology, Clinical science and pharmacology related to abdominal organ failure, pre - post transplantation management, Physical and functional evaluation in subjects with solid organ failure, before surgery, immediately after surgery of transplantation, critical care and In-patient management of transplant recipient, and long term follow-up.

The course covers applied as well as advanced physio-therapeutics to assess, plan, implement rehabilitative programs, skillful examination, evaluation to plan the care that fosters improvement in physical functioning and maximizing overall quality of life that improves or restores human motor functions, maximize movement ability, relieve pain syndromes, treat or prevent physical challenges associated with co-morbidity, organ dysfunction, and other impairments. This is one of the cutting edges as well as emerging unique concept in practice of physiotherapy for preparation of a post-graduate student towards his/her professional autonomy with self-regulating discipline at par with global standards.

Course Coordinators: Cardio-Pulmonary

Dr. Bharat B. Tiwari (PT), M.P.T – Cardio-Pulmonary
Principal I/c, Sr. Lecturer
IKDRC – ITS College of Physiotherapy

Master of Physiotherapy in Cardiopulmonary Sciences

The Master of Physiotherapy in Cardiopulmonary Science (MPT. Cardiopulmonary), is a two years postgraduate Physiotherapy degree level course. The course develops candidates as qualified and experienced clinicians able to broaden and deepen their theoretical, clinical skill with strong communication skill, influencing practices and service delivery in the area of Cardiopulmonary Physiotherapy.

The course of study is designed to provide in-depth knowledge, information, techniques and about the activities associated with Physiotherapy in Cardiopulmonary discipline, in a comprehensive manner. The study is focused on theoretical and practical aspects and principles of techniques in an academic discipline such as Medical and Surgical Management of Disorder of the Cardiopulmonary System, Physiotherapy Management in Disorder of the Cardiopulmonary System, Research Methodology and Biostatistics, Management / Administration and Ethical Issues, Biomechanics.

This course will provide planning and execution of independent research project/dissertation in order to validate techniques and technology in practice of physiotherapy in rehabilitation of cardiopulmonary conditions. Thus it will make students focus on practicing the concept of protection of rights of the community during referral as well as first contact practice in order to provide honest, competent and accountable physiotherapy services to the community.

ADMISSION NOTICE FOR

MASTER IN PHYSIOTHERAPY COURSE

Applications are invited for Master in Physiotherapy course for the academic year **2023-24** at IKDRC - ITS College of Physiotherapy, a Constituent College of Gujarat University of Transplantation Sciences (GUTS), Ahmedabad.

SPECIALTY: 1) M.P.T in Cardio Pulmonary Science (6 seats)

2) M.P.T in Transplant Rehabilitation (3 seats)

DURATION OF THE COURSE: Two Years

NO. OF TOTAL SEATS: 9

CURRICULUM: Designed by the GUTS

s

FEE STRUCTURE:

Sr. No.	Category	Amount (Rs)
First Year		
1	College tuition fees	2,50,000/-
2	Registration fees	14,000/-
3	Security Deposit	5,000/-
4	Library Fees	3,000/-
Total		**2,72,000/-**
Second Year		
1	College tuition fees	2,50,000/-
2	Library Fees	3,000/-
Total		**2,53,000/-**

Candidates needs to submit first term fees within five days of selection otherwise admission will be cancelled. Fees mentioned above are for the present period. University reserves the Right to revise the same at any time without notice. Security deposit will be refunded only on successful completion of the course and after NOC from Institute.

STIPEND: As per government norms

RULES:

Rules governing the admission to post-graduate physiotherapy courses at college of Physiotherapy, IKDRC-ITS.

1. ELIGIBILITY CRITERIA

1.1. **He/ She must be an Indian Citizen. He/ She must be medically fit. He/ she should be registered in GSCPT.**

1.2. The candidate must have completed the recognized B. physiotherapy with minimum 50 % marks and compulsory rotating internship of six months before the date of first counselling. All candidates shall have to submit the documentary proof from the Principal / Dean of college regarding the date of completion of internship along with the application, failing which their application shall be summarily rejected. However candidate should have to produce full internship completion certificate at the time of counselling, failing which, candidate will not be eligible for admission.

1.3. A candidate who is engaged (at the time of submission of application) in P.G Physiotherapy studies in this University or any Other University or equivalent body is not eligible.

1.4. A candidate who in the past had been selected and admitted to any P.G. Physiotherapy course of this or any other university or equivalent body and did not complete that course at the time of submission of application, is not eligible.

1.5. A candidate who had applied earlier to this University and who was disqualified because of reason mentioned in Rules 6.5, 7.6, 7.7, 7.10, is not eligible.

1.6. A candidate who is a graduate shall have to submit provisional eligibility certificate (P.E.C.)/Migration certificate from Gujarat University of Transplantation Sciences within one month from the date of his / her admission, failing which the admission of candidate shall be cancelled without any notice thereof, fees forfeited and will not be eligible to apply in future. This provisional eligibility certificate (PEC) should be submitted to IKDRC-ITS College of Physiotherapy.

1.7. A candidate has to appear in Competitive examination conducted in respective academic year for admission to Post graduate Physiotherapy courses held by Gujarat University of Transplantation Sciences.

2. Total seats of college will be allotted for open competition based purely on merit where inter-se merit will be assessed on the basis of combination of Entrance Examination and cumulative performance at under graduate examinations.

2.1 Counseling for the seats/students will be done by Gujarat University of Transplantation Sciences.

3. Admission process will be done once in each academic year. The last date for completion of entire admission process will be 30th April of respective academic year.

Academic year: (Two academic terms in each academic Year).

1st Academic term: 1st May to 31st October

2nd Academic term: 1st November to 30th April

4. Seats can be utilized in the same academic year only and any vacancy cannot be utilized in subsequent academic year.

5. The admissions will be as per reservation policy of Government of Gujarat.

5.1. In case non-availability of SC/ST/SEBC candidates, they shall be treated as unreserved seats of Gujarat University of Transplantation Sciences and will be filled up by the candidates eligible for open merit seats on the basis of merit in respective quota seats.

5.2. Candidate seeking admission under rule 5.0 will have to produce the caste certificate from the competent authority as prescribed by the Government of Gujarat from time to time, and submit it along with the application. The candidate will not be allowed to change the caste category thereafter.

5.3. In case of any doubt or discrepancy about the caste certificate, decision of the Director, social welfare, Gujarat state shall be final.

6. Application: Gujarat University of Transplantation Sciences conducting admission process will issue notice inviting application for admission under these rules. Candidate are required to submit the prescribed forms duly completed with receipt of entrance examination fee within the prescribed time limit.

6.1 The application form should be complete in all respects before submission. No alteration or addition will be permitted later on.

6.2 Every candidate will be issued a receipt when he/she submits application form. This must be preserved for all future references and produced when asked for and at the time of entrance examination and counselling.

6.3 If any candidate wishes to claim admission for other than open category seats, he should submit details with relevant documents along with application. However, he/she is not required to pay additional examination fee.

6.4 Counseling and entrance examination date / time / place will be notified in the notice inviting application or on Gujarat University of transplantation sciences website (**http://www.guts.ac.in**). No separate notice or individual letters will be sent. The applicant should remain present on the day and time fixed for the same. The candidates should have to remain present until entire process of counseling is completed to get benefit of seat/s conversion from one category to another category. (However, in case a candidate is unable to appear in person on the day of Admission counseling, candidate may send his/her authorized representative with an Authority Letter attached with application Form for allotment of seat along with required original documents and fees. The allotment made to authorized representative shall be binding on the candidate.)

6.5 (a) If any of the statements made in the application form or any information /marks/document supplied by the candidate in connection with his / her application for admission is later on found to be false or incorrect or misguiding or if it is found that the candidate has concealed any information/ fact in connection with his / her application, his / her admission and registration shall be cancelled without any notice thereof, fees forfeited, have to pay the whole course fees, have to pay penalty of university, and he / she may be expelled and prosecuted, and he / she will not be eligible to apply in future.

(b) The candidate should verify his/her eligibility for appearance at the Entrance examination and Post Graduate Physiotherapy Admission. If through mistakes/error the forms are accepted and through mistake/error candidates appear in Entrance examination and admitted in Post Graduate Physiotherapy course, such candidate if found later to be ineligible, cannot claim any right or interest arising out of acceptance of form or appearance at the Entrance examination or admission in Post Graduate Physiotherapy course.

6.6 A Candidate, who has given entrance examination, found ineligible for the admission, then his/her result / admission shall be cancelled.

7. Determination of Merit Order.

Separate merit list for each category shall be prepared for the candidate eligible for admission to Gujarat University of transplantation sciences.

7.1. (A) Entrance Examinations:

1. There will be one paper of 1 hour duration for P.G. Physiotherapy courses Containing 100 multiple choice questions (MCQs) from B. Physiotherapy subjects.
2. The questions will be single response objective type. Each answer with correct response shall be awarded two marks. Zero mark will be given for the question not answered or incorrectly answered. More than one answer indicated against a question will be deemed as incorrect response and will be zero marked.
3. The examination shall be conducted in ENGLISH medium only.
4. (a) There is no provision for rechecking /re-evaluation of the answer sheets and no query in this regard will be entertained. For any query regarding MCQ and/or Answer key, decisions of Subject expert/s will be final and it will be abide to all the Candidates..(b) The Vice Chancellor of Gujarat University of Transplantation Sciences has a power to moderate the Result of Entrance examination in consultation with Dean of Gujarat University of Transplantation Sciences.
5. The examination will be conducted as per program shown in notice of Gujarat University of Transplantation Sciences website.
6. Candidates are expected to take their seats 15 minutes before the commencement of the examination. Please note that the candidate will not be allowed to enter into the examination hall or for the personal counselling without valid identity card in original.
7. Candidate who comes after 15 minutes of the commencement of the examination shall not be permitted to appear in the examination.
8. No candidate shall be allowed to carry any textual material, printed or written bits of papers or any other material except the identity card (without envelop) inside the hall. If a Candidate is found to be coping/conversing with other candidate/to have in his /her possession paper, notes or books, or any other material, he/she shall be disqualified from taking examination and the next one or two such Examinations and necessary action to be taken as per Gujarat State Physiotherapy Council rules and regulations.
9. No Candidate shall be allowed to leave the examination hall before the end of 1 (One) hour. Question paper, Answer Sheet, Rough work sheet etc. must be returned before

leaving the examination hall.

10. The Candidate shall maintain silence and attend to their papers only. Any disturbance in the examination hall shall be deemed as misbehavior and the candidate`s right to continue to write the examination will be forfeited. The decision of the center supervisor shall be final and conclusive.

11. Cellular Phones, Pagers, calculators, or any other electronic device/s which can relay and / or receive verbal / nonverbal images /text etc. are strictly prohibited in examination hall.

7.1 (B) Undergraduate Examination Marks:

(i) Percentage up to 2 decimals of marks obtained by the candidate at Final Physiotherapy Examination (without internal marks). The percentage up to 2 decimal of marks obtained at Final Physiotherapy will be modified by deduction of 1.5 for each unsuccessful trial in the examination

(ii) Percentage up to 2 decimals of marks obtained by the candidate at Final Physiotherapy Examination (without internal marks). The percentage up to 2 decimal of marks obtained at Final Physiotherapy will be modified by deduction of 1.5 for each unsuccessful trial in the examination.

(iii) Percentage up to 2 decimals of marks obtained by the candidate at Third Physiotherapy Examination (without internal marks). The percentage up to 2 decimal of marks obtained at Third Physiotherapy will be modified by deduction of 1.5 for each unsuccessful trial in the examination.

(iv) Percentage up to 2 decimals of marks obtained by the candidate at Second Physiotherapy Examination (without internal marks). The percentage up to 2 decimal of marks obtained at Second Physiotherapy will be modified by deduction of 1.5 for each unsuccessful trial in the examination.

(v) Percentage up to 2 decimals of marks obtained by the candidate at First Physiotherapy Examination (without internal marks). The percentage up to 2 decimal of marks obtained at First Physiotherapy will be modified by deduction of 1.5 for each unsuccessful trial in the examination. Total of (i), (ii), (iii) and (iv) shall be considered as undergraduate examination marks.

7.2 (a) **Merit list for admission:** Total of 50% of marks obtained in Entrance Examination and 50% of cumulative marks obtained in under graduate examinations will be considered for merit/as minimum requirement for admission.

(b) Determination of inter-se-merit of candidates obtaining equal merit marks shall be determined in order of preference as under.

(i) Candidate's higher marks in undergraduate examination.
(ii) Candidate's higher marks in Final year B. Physiotherapy (Modified % up to 2 decimal)
(iii) Candidate's higher marks in Third year B. Physiotherapy. (Modified % up to 2 decimal)
(iv) Candidate's higher marks in Second year B. Physiotherapy. (Modified % up to 2 decimal)
(v) Candidate's higher marks in First year B. Physiotherapy. (Modified % up to 2 decimal)
(vi) According to age, older candidate will get preference over younger candidate.

7.3 Notification: Merit list will be notified/display as under:

Merit lists of candidates eligible for admission to Gujarat University of Transplantation Sciences seats.

Merit list - 1.1 Candidates eligible for Open Merit (Unreserved) seats.

Merit list - 1.2 Candidates eligible for SC seats belonging to SC category.

Merit list - 1.3 Candidates eligible for ST seats belonging to ST category.

Merit list - 1.4 Candidates eligible for SEBC seats belonging to SEBC category.

7.4 These Merit Lists will be placed on the notice board of the University or on Gujarat University of transplantation sciences website (**http://www.guts.ac.in**).

7.5 The candidate belonging to the SC/ST/SEBC for whom reservation is made and who takes admission on open merit will be counted against non-reserved seats.

7.6 A candidate of any category who remains absent or withdraws from counselling or does not opt for any admission, his/her admission will be cancelled.

7.7 All P.G. courses are full-time and the candidate shall not indulge in any type of private practice or employment of any nature (Part-time, paid or stipendiary or unpaid) during the course. If the candidate is employed, he shall have to produce proof that he has left the service or taken leave for full period of the course before joining the course. If violation of this condition is detected any time after the admission, his / her admission and registration

shall be cancelled without any notice thereof, fees forfeited, have to pay the whole course fees, have to pay penalty of university he / she may be expelled and prosecuted, and he / she will not be eligible to apply in future.

7.8 The selected and admitted candidate will have to join within prescribed time limit decided by Admission Committee. If he/she fails to do so as well as if he leaves before completion of the course, his / her admission and registration shall be cancelled without any notice thereof, fees forfeited, have to pay the whole course fees, have to pay penalty of university, and he / she will not be eligible to apply in future.

7.9 For granting of each term, candidate shall attend minimum 75% of the imparted training during each academic term.

7.10 A Candidate who fails four times in Postgraduate examination will have to go back and study for full one year under his/her own teacher. Then only the candidate will be permitted to appear in post graduate examination for maximum two trial and if candidate does not clear his/her Post graduate examination then his/her admission/registration will be permanently cancelled.

7.11 If any Post graduate student is found absent for more than 72 hours (before the last date for Completion of entire Admission process as per rule 3) and 15 days (after the last date for Completion of entire Admission process as per rule 3) without leave/ permission / information of competent authority, his / her admission and registration shall be cancelled without any notice thereof, fees forfeited, have to pay the whole course fees, have to pay penalty of university, he / she will not be eligible to apply in future.

7.12 If Candidate is admitted and does not join the course or leaves the course after Counselling, in such conditions, or in case of implementation of rules 1.3, 1.5, 1.7, 6.5, 7.8, 7.10, 7.12, following conditions will be imposed on the Candidate.

(Candidate will be required to give the undertaking that he/she shall abide by all the below mentioned conditions.)

(i) His / Her admission and registration shall be cancelled without any notice thereof.

(ii) Candidate will not eligible for future admission in the Gujarat University of Transplantation Sciences.

(iii) Candidates have to pay the course fees of all the year/academic terms.

(iv) All deposit amount, Admission fees, tuition fees and university fees are forfeited and Candidate cannot claim on it.

8. At the time of counselling, Candidate will be required to give the undertaking stating that he/she is not admitted/engaged in PG Physiotherapy course anywhere else.

9. The University reserves the right to introduce any new Rule or Regulation or to make changes in any of the existing Rules or Regulations at any time to deal with diverse problems arising out of infinite variety of situations.

Regulation under Rule

Sequence of Interview for Selection and Admission

R.1 Before the candidate is offered choice of post, his/her original documents are compared with the attested copies he/she had submitted with his/her application form. If all the originals are not available with him/her or if there is discrepancy in any of the documents, he/she may become ineligible, his/her counseling will not be held and next candidate will be called.

R.2 If all attested copies of his/her documents are found to be exact copies of originals, he/she will be offered the Seat. If he/she chooses the Seat, he/she is asked to pay the fees / deposit and to submit the original documents. After the payment of fees / deposit and submission of original documents, his/her admission order will be prepared. Inability to pay requisite fees and deposit and submission of original documents to authority will render him/her ineligible and the next candidate will be called.

R.3 A candidate who is absent when called, but reports late, will be eligible for admission and will be offered seat available at that time.

R.4 Unless the counselling of one candidate is over, the next candidate is not called. Counselling is considered over if:

(i) He/she has chosen the subject/ course / college/teacher/unit, paid fees and deposit, submitted original documents and his admission order is ready.

(ii) He/she has declined to take any of the Seats offered (withdraw).

(iii) He/she is ineligible under R.1 or R.2

R.5 Admission orders are handed over to the candidates who are admitted. These orders are withheld for those who are employed, till proof is produced to the effect that he/she has left service or taken requisite leave and have actually handed over charge.

R.6 Original mark sheets and other documents etc. of admitted candidates should be retained

By authority.

R.7 Original Documents will be verified before giving Admission Order/Joining as follows.

1. Internship Completion Certificate, Mark sheet, Attempt Certificate, School Leaving Certificate,
2. Gujarat University of Transplantation Sciences fee Receipt
3. College fee deposit receipt
4. Provisional Eligibility Certificate
5. For in Service Candidates, study leave / resignation or NOC (As per Rule7.6)
6. Appropriate cast Certificate for SC/ST/SEBC
7. For SEBC Candidates, Non Creamy layer Certificate of financial year pertaining to the period of application.
8. Medical Fitness Certificate
