First Pro Chancellor**

Gujarat University of Transplantation Sciences (GUTS) &
Founder Director Smt. G.R. Doshi and Smt. K.M. Mehta Institute
of Kidney Diseases and Research Centre (IKDRC) and
Dr. H.L. Trivedi Institute of Transplantation Sciences (ITS)

About the University - GUTS

The Gujarat University of Transplantation Sciences (GUTS), the first University of its kind in the world for Transplantation and Allied Sciences, was established in the year 2015 under the State University Act. The idea of setting up such a University was conceived way back in 1998 and the seed of its inception was sown by Prof. H. L. Trivedi, Founding Director of Smt. Gulabben Rasiklal Doshi and Smt. Kamlaben Mafatlal Mehta Institute of Kidney Diseases & Research Centre. Dr.H. L. Trivedi Institute of Transplantation Sciences (IKDRC-ITS), Ahmedabad, Gujarat.

Objectives and Mission of the University

The Objectives of the University is to disseminate, create and preserve knowledge and understanding by teaching, research, extension, service and by effective demonstration in the field of Transplantation and allied sciences. This university will provide efficient and responsive administration, scientific management and develop organization of teaching and research. It will be a centre of excellence for providing medical care, educational and research facilities of high order in the field of Transplantation and allied Sciences in the existing super-specialities and such other super-specialities as may develop in future, including cell and tissue transplantation, solid organ transplantation, composite tissue transplantation, xeno transplantation, cell, tissue and bio-engineering, genetics and translational research in humans, animals, micro-organisms and viruses. The other objective will also be to attain the highest standards of academic excellence by providing the necessary physical infrastructure and creating an intellectual environment conducive to free flow of ideas and meaningful exchange of information and knowledge with other foreign and national universities or institutions. The mission of the University is to serve as an academic and research nucleus to these specialties to improve the clinical, scientific, and social aspects of transplantation making it accessible and affordable to population at large giving them healthy and productive lives.

Currently GUTS have active teaching programs as follows:

- 1) M.Ch Urology (NMC Recognized)
- 2) DM Nephrology (NMC Recognized)
- 3) Post –Doctoral Certificate course Renal Pathology (PDCC) (NMC Recognized)
- 4) M.D Anesthesia (NMC Recognized)
- 5) Fellowship programs in Liver Transplant Anesthesia and Critical Care
- 6) Fellowship programs in Abdominal Organ Transplantation
- 7) Fellowship programs in Pediatric Nephrology and Transplantation
- 8) Masters in Physiotherapy (MPT)
- 9) MSc nursing in Nephrology and Urology Specialties
- 10) Postgraduate Diploma in Medical Laboratory Technology (PGDMLT)
- 11) Certificate Course in Dialysis Technology (CCDT)

Dr. Manisha P. Modi, M.D. (Anaesthesiology)

Dean (I/C) , Gujarat University of Transplantation Sciences & Professor of Department of Anaesthesiology

Smt. G.R. Doshi and Smt. K.M. Mehta Institute of Kidney Diseases and Research Centre (IKDRC) and

Dr. H.L. Trivedi Institute of Transplantation Sciences (ITS)

About the Institute - IKDRC-ITS

Smt. Gulabben Rasiklal Doshi and Smt. Kamlaben Mafatlal Mehta Institute of Kidney Diseases & Research Centre - Dr. H. L. Trivedi Institute of Transplantation Sciences (IKDRC-ITS) is located in Civil Hospital Campus, Asarwa, Ahmedabad in the state of Gujarat, India. The institute was established on October 7, 1981 on an auspicious ninth day of Navratri and Institute of Transplantation Sciences was established as its sister institute in the year of 1997. Today it stands on the western end of the civil hospital campus, occupying an area of 15,000 sq. mts and total built up area of 20,000 sq. mts, it can boast to be largest tertiary care center of its kind in the world. It has 400 indoor beds for Nephrology, Urology and Transplantation.

Institute of Kidney Diseases and Research Centre is one of the largest institutes in the world, based on three pillars of service, education and research, catering the needs of all classes of patients with kidney diseases. The primary objective of the institute is to establish, operate, promote, run and manage institutions engaged in service, education and research pertaining to the field of Nephrology, Urology, Transplantation, Hematology, Autoimmune and Genetic disorders.

The institute is recognized as Institute of National Importance by Department of Science and Technology, Govt. of India.

Services Being Provided By IKDRC-ITS

At present IKDRC-ITS, has an average annual OPD of more than 1,50,000, admission of more than 11000 cases in Nephrology, 8000 in Urology, 800 cases each in Paediatric Nephrology and Gastroenterology and liver transplantation, 600 cases in Paediatric Urology, 2600 in Obstetrics and Gynaecology. IKDRC-ITS have performed about 400 kidney and 35 liver transplants per year and there is already a waiting list of patients to be treated. Institute now caters to the people of Gujarat for services of dialysis in most of the districts through its centres.

Dr. Vijay Kumar Gauttam,
F.O.I. (USA), Ph.D., RN, RM, MSN
Associate Professor & Principal (I/C)
IKDRC College of Nursing,
GUTS, Ahmedabad

About Department

IKDRC College of Nursing was started in the year 2015. It is a constituent institute of Gujarat University of Transplantation Sciences (GUTS). It offers an excellent opportunity to become a post-graduate Nurse (M.Sc. Nursing in Nephrology-Urology). The Nursing Institute prepares nurses for leadership position in nursing and health fields who can function as nurse specialists, consultants, educators, administrators and researchers in a wide variety of professional settings in meeting the National priorities and the changing needs of the society.

College Features

- Our nursing institutions are attached with 800 bedded parental kidney hospital (IKDRC-ITS) with in the campus.
- Own spacious college building constructed as per the INC and GNC norms.
- Well experienced and dedicated faculty.
- Very good infrastructure facilities like lecture hall with LCD projectors, Advance Skill Lab and updated digital library.
- External classes are taken by expert medical faculties.
- Periodic continuing nursing education programs, conferences and workshops conducted to keep the nursing fraternity in par with advance technologies.
